Breeding Contract

Under this agreement, the said stallion will be bred to the said mare, at the agreed fee and following the conditions as set out below.

Agistment costs are the responsibility of the mare owner and will be charged at the current rate. All horses will be fed according to owners request or need & according to individual condition, temperament and stage of gestation.

Accounts will be sent out monthly, with amount owing within seven (7) days.

NEWBURY PARK reserves the right to call a veterinarian at any time it is deemed necessary, with all Veterinary costs charged to the mare owner.

A NEGATIVE UTERINE SWAB IS REQUIRED of all visiting mares before arrival, if necessary, swabs will be taken at NEWBURY PARK at the owners expense. Breeding will commence upon return of a negative swab.

A mare sent to NEWBURY PARK to be bred to a NEWBURY PARK stallion which foals at NEWBURY PARK will be charged an additional foaling fee.

Whilst every effort will be made to ensure the safety and condition of the mare, NEWBURY PARK will not accept any responsibility in the case of accident or death of the mare (and or foal at foot or in utero) any mare or foal will continue during the time spent at NEWBURY PARK, to be at the risk of the owner from accident, illness or misadventure of any description.

The service fee includes a non refundable booking & handling fee. The balance of service fee includes a live foal guarantee, where if the said mare fails to produce a live foal by the said stallion a rebreeding will be provided during the following season, with only a booking fee payable (ie balance is waived)

Parasite control is essential, and to that end, all mares & foals will be treated according to NEWBURY PARK'S parasite control program, at the owners expense.
